Dear Sir:

The Decision of the U.S. Patent and Trademark Office dated July 21, 2006 is noted. The Office, in its decision, noted that of the three criteria set forth in 37 C.F.R. §1.10(d), Applicants have complied with numbers 1 and 2. With respect to the third criteria, however, the Office's opinion is that the prior petition did not sufficiently establish that the national stage papers were deposited in Express Mail prior to the last scheduled pickup on April 6, 1006. To comply with the Office's request, Applicants now submit evidence in the form of a Supplemental Declaration of Eddie Abeyta, Sheridan Ross P.C.'s designated administrator of patent filing correspondence. With such new evidence and in combination with the previously submitted petition and exhibits thereto, Applicants respectfully request the reconsideration and favorable grant of the present petition.

Applicants' counsel request the courtesy of a telephone call in the event any further questions or concerns require further discussion or elucidation. Applicants' counsel can be reached directly at (303) 863-2977.

No additional fees are believed to be owing, however, if such fees are due, please deduct them from Deposit Account No. 19-1970.

Respectfully submitted,

SHERIDAN ROSS P.C.

I hereby declare as follows:

1. I incorporate by reference, my Declaration dated June 6, 2006.
2. I have reviewed the Decision from the U.S. Patent and Trademark Office ("USPTO") dated July 21, 2006 with respect to this matter. In compliance with the USPTO's request, the exhibits previously attached to my prior Declaration suffice to show the Express Mail number and the attorney docket number of the subject application. To establish that the national stage papers were deposited in Express Mail prior to the last scheduled pick-up on 4/6/06, I declare that I deposited such application at the 20th Street U.S. Post Office on 4/6/06 at 6:22 p.m. I hereby declare, through checking with relevant authorities, that the time of the last scheduled pickup for that date and place was 7:00 p.m. I personally deposited such documents on such date and prior to the last scheduled pickup according to my typical obligations and duties as Sheridan Ross' designated administrator of patent filing correspondence.
